WHO WE ARE AND WHAT WE DO

ONE. World Alliance e.V. is a non-profit organization dedicated to supporting people without access to education or a self-determined life. Since 2018, we have been working in developing countries to improve living conditions and provide education. Our efforts range from building schools and volunteering in shelters to aiding in international crisis relief. Founded in 2021 and based in Ravensburg, Germany, we operate with full transparency and are officially recognized as a charitable organization. Join us in making a lasting impact!

HANDS-ON HELP IN KOLKATA - BE PART OF IT!

ONE supports various projects in Kolkata, some of which we initiate ourselves, while others are carried out by our partner NGO, Seva Kendra Calcutta.

We offer people the chance to get involved in development work on-site and be part of a guided group experience.
